

Testimonials from Previous NEBC Study Trips (Jan 2005 and Jan 2008)

Each day was a rich series of experiences which I have described as intense on a historical, political and spiritual level.

We covered a tremendous amount of ground over our 7 days, giving us a breadth of exposure to the Holy Land.

I enjoyed the fact for that for those who wanted to maximize the time, the day started early and ended just before dinner. Having the evenings free was perfect for those who wanted to relax.

Devotions gave this trip the reverence I was looking for (which I did not get the last time I traveled to Israel) and the academics stretched me.

I would do this again and will encourage others to do so as well. Thanks, Josh and Rick for your oversight!

Thank you for all the work you put into the Israel 2005 trip. The Lord has blessed me so much because of the trip. It was a real privilege to get to know you and the others. So many wonderful memories and Biblical connections.

I miss the time we all spent together. I miss Israel. A lot of people have been so interested in hearing about the trip and to see some of the pictures.

There are no words to describe how powerful and meaningful the trip to Israel was for me. What a lifetime gift!!! Thanks so much for all your hard work in the implementing of the trip.
